

Pas Reform Hatcher drolley

For the smooth transport of hatcher baskets

Royal Pas Reform
Integrated Hatchery Solutions

Hatcher dolley

Benefits

Highly durable, easy-to-clean, stainless steel dolley with large diameter swivel castors for smooth, easy manoeuvrability. Designed to provide optimum stability for stacks of hatcher baskets. Can also be used for stacking and storing baskets after washing, prior to use in the transfer area. Optimised design for automated dolley transfers in Pas Reform stackers and destackers.
